

First Climate is a prime global Carbon Asset Management company. We are a leading provider of carbon offset services, trading and advisory, with a strong worldwide market presence in sourcing and producing carbon credits.

To strengthen our team, we are looking for:

Working Student - Corporate Finance

Position located in Bad Vilbel, Frankfurt/Main (Germany)

For our head-office in Frankfurt we are looking for someone to support the Corporate Finance team for 3-4 days a week. In this role, you will assist our Corporate Finance team not only in the daily business, but also help in preparing the year-end closing.

Key Responsibilities

- Financial Modeling
- Competitor analysis
- Assist in maintaining budget reports, ensuring timely and accurate delivery
- Assist in year-end closing (HGB, IFRS)
- Special projects
- Prepare presentations (Power Point)

Specific Requirements

You are currently studying accounting, finance at University with already some exposure to corporate finance and accounting concepts in addition to information systems. **Skilled in using spreadsheet software (Excel) especially for developing financial models is a MUST.** Outstanding communication skills, competency in German and English are needed as well as a flexible attitude. If you are eager to work in a fast-moving, complex work environment and are open towards an international and intercultural working atmosphere we would like to hear from you.

What we offer

- Creative environment "place to think"
- Rich internal knowledge exchange
- Entrepreneurial / Innovative teams
- Multicultural / friendly workplace
- The opportunity to grow with us in a dynamic market
